I understand that if I am declining enrollment for myself or my dependents (including my spouse) because of other health coverage, I may in the future be able to enroll myself or my dependents in this plan, provided that I request enrollment within 31 days after my coverage ends. In addition, if I have a new dependent as a result of marriage, birth, adoption or placement for adoption, I understand that I may be able to enroll myself and my dependents provided that I request enrollment within 31 days after the marriage, birth or adoption. I further understand that, other than these qualifying events, if this form is submitted after the enrollment period, I cannot enroll until the next annual enrollment period, if applicable.

Section 8 – Notice of Special Enrollment Rights for Health Coverage

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose coverage (or if the employer stopped contributing toward you or your dependent's other coverage).

Loss of coverage events include, but are not limited to: (a) the person no longer lives, resides or works within his or her HMO service area, the HMO does not provide coverage for that reason, and there is no other coverage under the plan for the individual; (b) a dependent loses dependent status because he or she attains a particular age; (c) the plan no longer offers any benefits to a class of similarly situated individuals (such as if the plan terminates coverage for all part-time workers); and (d) a benefit package option terminates or the issuer stops operating in the group market.

However, you must request enrollment within 31 days (or 60 days for Medicaid eligibility, birth or adoption of a child) after you or your dependent's other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and other dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

This notice is for informational purposes only and is informing you of your special enrollment rights.
