

Preventive Health Care Services Schedule Expanded Benefits for Groups

No-cost care helps you stay on top of your health

Aspirus Health Plan puts an emphasis on keeping you healthy. We include a 100% benefit for preventive services when performed by a participating provider. This means no deductible, copay or maximum dollar limit for routine exams and preventive services. We are proud to offer a range of services to our members, including all preventive services rated A or B by the United States Preventive Services Task Force (USPSTF). The effective date of a preventive service corresponds to the effective date of your current health plan. For a complete list of covered preventive services, please visit the USPSTF website (uspreventiveservicestaskforce.org) or call Member Services at **866.631.5404, Monday - Friday, 7 am - 7 pm.**
