

Network Adequacy Waiver Information

2027 Aspirus Autograph Network

The Aspirus Autograph Network includes a range of health care providers in the service area. There are some counties where the network does not meet all the adequacy standards for some specialties.

This list shows the counties and the specialties where the Minnesota Department of Health has approved a network adequacy waiver.

To find a doctor, specialist, hospital or clinic in your area, you can use our [Find a Doctor](#) tool to search the Aspirus Autograph Network.
